

# RFID Locks

**In their November 2019 meeting, the Board added Onity to the list of approved vendors for electronic guestroom door locks. All replacement locks must be replaced with locks from three approved companies: ASSA ABLOY, DormaKaba, and Onity. Additionally, all new and/or replacement locks shall comply with the following brand mandated specifications in addition to all lock requirements in place per Rules and Regulations 700.27:**

- Radio Frequency Identification Device (RFID)
- Bluetooth Low Energy (BLE) ready (upgradable to BLE with BLE module)

**Please Note: Lock vendors can only upgrade their own lock brands.**

Products	Description	Available Through
	<p>Brand: MT RFID - dormakaba</p> <p>The MT RFID is a full-body electronic lock that offers contactless and mobile access technology to enhance guest convenience and improve operational efficiency.
