

TOUCHLESS PANCAKE MAKER

LEAD WITH PANCAKES

Build your hot breakfast around the easy to manage QuickCakes™ pancake maker.

QUICKCAKES SYSTEM BENEFITS

SAFE & SANITARY

Build guest confidence with touchless operation, no-touch delivery, and a cool-to-the touch enclosure.

LOW LABOR

Easy to manage hot breakfast. No mess “quick-change” batter bags reduce the need for additional staff.

LOW WASTE

Save on raw batter waste with our pre-portioned mix system. You serve only what is consumed, increasing yield and saving on costly condiments.

FAST

Pancakes dispense every 30 seconds; 4x faster than a waffle maker. Reduce waiting times and long lines.
