

Bean hopper holds up to 3 lbs. of beans. Esprecious 12 : (1) hopper, up to 3 lbs. Esprecious 22: (2) hoppers, up to 1.5 lbs. each.

NSF soluble canisters; easy to dis-assemble & reassemble by hand for a complete and thorough cleaning.

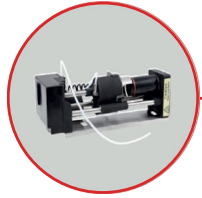

Personalize your Esprecious to match your branding; including your choice of LED colored backlight, video with audio, custom screen saver and drink images.

8 programmable drinks in 3 sizes. Self serve touch screen operation engages users to quickly choose their preferred drinks.

Horizontal brew group, reduces machine height, and allows for easy accessibility and cleaning.

Height adjustable, double dispensing outlet for serving 2 cups of espresso.

Separate hot water dispense - no cross contamination.

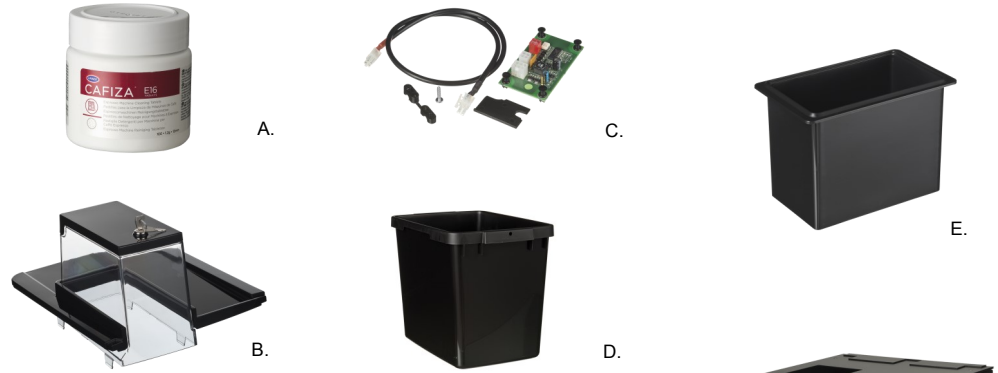

Bravilor Bonamat's Esprecious is a self-serve fully automatic small profile espresso machine. Designed to meet the demand for fresh, high-quality gourmet espresso and specialty drinks like Cappuccinos, Mochas, Hot Chocolates and more, while being simple to operate in self-serve environments like offices, hotels, car dealerships and lounges. The Esprecious provides full control over the brewing process including the grind, the strength and the volume. Various accessories such as cabinets, extended bean canisters, waste chutes and more are available to fit any application.

The taste of quality worldwide
