

# DID YOU KNOW

## RENUE SYSTEMS PROVIDES REMOVAL AND INSTALLATION OF TELEVISIONS?

In many cases we are even able to **recycle** your old TVs.

In doing so, we can manage the entire process which includes coordinating delivery with the supplier of the televisions, removing your current ones, installing the new assets and programming them to ensure they are properly operating.

### RENUE ALSO REPLACES/RECYCLES OTHER ITEMS SUCH AS:

- Televisions
- Minibars
- Furniture
- Mattresses
- Box Springs
- Bed Frames

### BENEFITS:

- ✓ Save money versus discarding your items
- ✓ Free up your team to focus on their regular tasks
- ✓ Expedite the time frame due to our experience
- ✓ Work with only one partner to handle the entire project
- ✓ Recycle your old items to minimize landfill usage
- ✓ Outsource the logistics to ensure the project runs smoothly
- ✓ Ensure the televisions are programmed and working properly
