# CORNSTARCH

The Sysco Earth Plus™ Bio-based Cornstarch line is an all around solution for delivering prepared ready-to-serve dishes in supermarkets, quick service take-out businesses, or even as “to-go” containers in full service restaurants.

Thermoformed from sustainable and renewable cornstarch blended resins, Sysco Earth Plus™ Bio-based Dinnerware offers an elegant feel and finish that’s perfect for seated service, buffets, weddings, parties and special events where appearance and durability count. Can be used in the microwave and oven.

5045016

Stores flat to accommodate small spaces

Easy to open and can be placed on flat surfaces to load food in

Above image shows a 30 oz. FlexCone

Flap opens up at the top to put condiment in 2-in-1 solution

## FEATURES & BENEFITS

Customers are easily able to set these containers down without the contents spilling out

Your customers will have a free hand to carry their beverage because of the 2-in-1 advantage

# PIZZA BOX

Sysco Arrezzio pizza boxes help maintain the quality and freshness of your to-go pizzas, ensuring that you're always able to deliver the flavour and value your customers expect. Create a custom box with your restaurant logo or purchase a plain box to customize on your own. If your restaurant doesn't serve pizza, these boxes also make great to-go containers for plenty of other foods like cookies, tacos, desserts, and more.
