## HOSPITALITY

### 2" Universal Foundation

(Bunkie Board)

The low height of Beautyrest's Universal Foundation positions the mattress closer to the floor, easing access to the sleep surface while still providing a stable base for the mattress.

#### Features

- Non-skid cover
- Low profile design allows for easy mount and dismount of mattress
- Maximizes mattress performance and longevity while providing proper support
- Ideal for bunk beds, Murphy beds and low profile platform-style beds
- Wood, Foam, and Fabric construction; the wood used in our Universal Foundations is sourced from sustainable forests and can be 100 percent recycled at the end of its useful life
- Meets Federal Fire Retardant standards
