Personnel Uniform Policy

The following shall apply to all Best Western branded hotels.

1. At all times when on duty, all hotel staff with guest contact (including ownership, executive management (such as General Manager, Director of Operations, sales management, etc.), front desk, housekeeping, laundry, kitchen, front of the house restaurant, maintenance, security, bell, valet, and concierge) must:
 - a. Be neatly dressed in the required uniform, which must be clean and in good condition.
 - b. Wear a professionally prepared name tag, which includes a Best Western logo if the logo is embroidered on the clothing the name tag must be worn on the other side). If the name tag is covered (i.e., by a jacket or coat), a Best Western logo must be visible to guests (i.e., on a Best Western logo hat, on the jacket, etc.). Note that the compliant use of the words “Best Western” may be used in lieu of the logo.
 - c. Be neatly attired and groomed.
 - i. Excessive or unprofessional jewelry, piercing and tattoos, and unnatural hair colorings (e.g., blue) are not acceptable. Some visible tattoos are permitted; however, employees may not show excessive tattoos. A visible tattoo may not be offensive; if offensive, it must be discretely covered.
 - ii. When appropriate, belts must be worn.
 - iii. Neckties, when worn, must be tied and worn at the traditional position on the neck.
 - iv. Tee shirts, tank tops, denim of any color (i.e., blue jeans), sweat pants, and cut-off shorts are not acceptable. Hotel-management–approved shorts appropriate for the climate and location are acceptable, provided they are professional in style and length.
 - v. Undergarments may not be visible.
 - vi. Torn or patched clothing is not acceptable.
 - vii. Leggings and yoga pants are not acceptable.
 - viii. Skirt/dress length is to be professional.
 - ix. Shirts must be tucked in for all staff, unless camp or tunic style.

- d. Wear footwear that is clean, in good repair, and appropriate for a business environment. Flip flops and sandals are not acceptable. Stylized athletic footwear (i.e., bright multi-colored sneakers/running shoes), and sports-oriented sandals are not acceptable. Dark, monochrome, or similar athletic footwear is acceptable.
2. Employees may not smoke (including e-cigarettes), chew gum or tobacco, or eat food in view of guests while on duty.
3. Uniforms can be selected from the current uniform catalog provided by Best Western Endorsed Suppliers or from a supplier chosen by the member, provided the uniforms meet the standards set forth in this policy. If a member contracts with a non-endorsed supplier for Best Western logo apparel, it is the member's responsibility to ensure that brand identity standards, as specified in the then-current Global Brand Identity Manual, are met. A member may not grant authorization to produce clothing bearing the Best Western logo to a supplier for any property other than his or her own.
4. Clothing (including hats) with prominent logos other than Best Western, sayings, and/or bold illustrations are not acceptable.
5. Staff in each department (e.g., housekeeping, maintenance, front desk) must all wear substantially the same items (i.e., same style, color, pattern, items), no matter the selection of items from the acceptable attire list. For example, all front desk staff shall wear the same color, style, and length of pant, shirt, and jacket, if that is the uniform for the front desk.
 - a. Resort locations may have theme-style uniforms, and attire may tastefully reflect local character. For example, an exception may be considered for blue jeans in a property with a rustic theme. However, all items must be the same for each department as noted above.
 - b. Allowances will be made for:
 - i. Climate-related additional items (such as sweaters and jackets); however, each department staff must all wear substantially the same items, as noted above.
 - ii. Occasional, short-term special events (i.e., local sporting events, etc.); nonetheless, attire must be coordinated for all team members (e.g., pant, knee length skirt, blouse, tunic, vest, jackets, etc.) in the same department.

6. Exceptions to this policy may be made to accommodate religious practices or medical needs. Requests for such accommodations shall be directed to and determined by hotel management.

Acceptable attire is detailed by Brand as follows.
