

# Sealy Comfort LX I

- Antimicrobial, water-resistant knit fabric
- Chill™ Technology to promote cool, comfortable sleep
- Premium high-density, pre-compressed, gel-infused foams are found in all layers
- ½" foam in the center third to guard against body impressions
- Heavy gauge, twice-tempered encased coils maintain ~98% of their height over the life of a mattress set
- DuraFlex™ Coil Edge System features densely packed coils which surround the edge of the mattress for a solid seating surface, more space to sleep and added durability
- No-skid foundation keeps mattresses in place and helps linens maintain a good tuck
- Handles for easier use by the housekeeping staff

# Built to Support Your Guests, Your Staff and Your Business

Sealy Posturepedic mattresses are engineered with innovative and exceptionally durable components to help ensure years of guest comfort, easy housekeeping and higher annual occupancy.

**Rich-feeling, antimicrobial, water-resistant fabric with Chill Technology** for comfortable, long-term protection of the mattress.

**Cushioning, high-density foams**, all pre-compressed and infused with gel to ensure long-term comfort — with layers adhered together to prevent slippage.

**Extra foam in the center third** to add support and minimize body impressions where guest weight is concentrated.

**No-skid foundation top** to keep mattress in place while changing linens.

**Two handles on each long side** for years of easy lifting.

**Twice-tempered, individually encased coils** for durability, comfort and support with minimal motion transfer to ensure ~98% height retention

**DuraFlex™ Coil Edge System** features densely packed encased coils which surround the edge of the mattress for a solid seating surface, more space to sleep and added durability

**Hospitality-grade foundation** with solid wood construction for a stable feel and durability in hotel environments.
